2.7. Auto Sandbox Services.

Auto Sandbox is a service that isolates unknown programs. By default any unknown programs identified as potential malware are executed inside sandbox and then automatically sent to Comodo for malware analysis. If a program is found by Comodo to be malicious it is then added to the CIS malware definitions list. If it found to be safe it is added to CIS safe program list. The next time CIS receives antivirus updates, CIS scans all the programs running inside sandbox. If any program is found to be malicious, sandbox isolates the program and moves it to the quarantine list to protect your computer. Safe programs are removed from sandbox and are no longer executed inside sandbox. To disable Auto Sandbox and/ or automatic submission of programs to Comodo, go to "Sandbox Settings" and uncheck the appropriate boxes.

2.8. Browser Setting Modification

CIS allows users to set an included search engine as the default setting in the internet browser search engine toolbars and makes that search engine as the browser home page. By checking the box during installation, you are consenting to this change. If after installation, you do not want the included search engine as the default, you may make changes under the options section of your internet browser.

2.9. Backup Service. Comodo shall provide you with an interface necessary to use the backup services to make archived copies of data contained on any computer where a valid license was installed.

- (i) When using the backup service and related services, Comodo will save an encrypted copy of each file you designate as requiring storage. The saved files will be transferred over the Internet to a server operated by Comodo or an affiliate or partner of Comodo. Comodo disclaims all liability for the backup service, including any resulting from lost or compromised data.
- (ii) Comodo will routinely scan your computer in order to determine if any file is new, modified, or deleted and to determine what actions need to be taken in order to complete a storage or restoration operations. These operations require Comodo to collect information related to your files, your computer configuration and specification, and your computer usage. You give Comodo permission to access, collect, and store this information. In addition, you give Comodo permission to transmit all files designated by you as requiring storage to a remote data center operated by Comodo or an affiliate or partner of Comodo ("Storage Servers"). Files will be transmitted in

an encrypted format.

- (iii) Comodo will not use any files backed up unless 1) you give Comodo permission to do so as part of a request for troubleshooting or computer restoration services, or 2) Comodo reasonably believes it needs to do so in order to comply with a law, subpoena, warrant, order, or regulation, including laws related to the use of data for illegal purposes or child pornography. The services are being provided from within the United States and other countries where litigants, law enforcement, courts, and other agencies of the government may have the right to access data stored within their jurisdictions upon terms and conditions provided by local law. As such, these entities may gain access to your data as provided under the local law of the jurisdiction.
- (iv) Files marked for storage shall only be added to the Storage Server at the next periodic scan of your computer. Only after a periodic scan will a file be available as part of the data on the Storage Server. Comodo does not maintain a copy of the data backed up to our servers and does not guarantee the information against loss or destruction. In the event that this Agreement is terminated, Comodo may in its sole discretion, without notice to you, and at any time following the date of termination delete or deny access to the backed up data and such data or files will not be available to you. Comodo and its affiliates may retain (but shall have no obligation to retain) your data for up to 90 days after your subscription to the backup service expires in order to allow you to renew your subscription, if desired.

You agree that Comodo and its affiliates may retain (but shall have no obligation to retain) your data for a period after your trial or license has been terminated, expired, or otherwise lapsed, as part of Comodo's marketing to you the opportunity to purchase, renew, or extend a license.

3. Limited Guarantee

- 3.1. Scope. Some versions of the Products that you may purchase include a limited guarantee that is valid for one year from the date of the Product's activation by the original purchaser unless you cancel or do not renew your Product subscription. The guarantee covers the repair of certain damage that could occur to a computer as a result of malware. Each license of the guarantee can cover up to one computer on the same home network, provided that each computer qualifies for guarantee coverage as explained herein. To qualify, a covered

computer must have 1) the minimum requirements to install and run the Product, 2) the guarantee activated using the license key provided by Comodo, 3) the correct version of CIS installed on the computer, and 4) a full CIS system, computer, and memory scan run to verify that the computer is free from malware. The guarantee does not apply if a computer 1) is unable to access the Internet, 2) more than one year has lapsed since the date of the Product's activation by the original purchaser, 3) the computer has preexisting malware, 4) does not have CIS installed and operating in the correct functional state. After installing the CIS, you must, on each covered computer, a) keep CIS operating at all times in one of 1) Paranoid Mode, 2) Train with Safe Mode, or 3) Clean PC Mode; and b) have Automatic Sandboxing enabled and configured to sandbox all unknown files; and c) not disable or remove CIS. The guarantee excludes all damage caused by a hardware failure or caused by non-malware software. THE LIMITED GUARANTEE IS ONLY AVAILABLE TO YOU IF YOU ARE A RESIDENT OF THE UNITED STATES AND HAVE PURCHASED A VERSION OF THE SOFTWARE THAT INCLUDES THE GUARANTEE. FREE, TRIAL, OR BETA VERSIONS OF THE SOFTWARE DO NOT INCLUDE THE GUARANTEE. THE LIMITED GUARANTEE CANNOT BE COMBINED WITH ANY OTHER COMODO WARRANTY OR GUARANTEE. THE GUARANTEE IS NON-TRANSFERRABLE, AND CAN ONLY BE USED BY THE ORIGINAL PURCHASER OF THE SOFTWARE. THE GUARANTEE IS ONLY VALID FOR CLAIMS MADE OVER THE INTERNET AS PER SECTION 3.3 AND ONLY WHERE INTERNET-BASED SUPPORT IS RENDERED.

3.2. Limits. The guarantee is limited to the lesser of

- (i) The actual cost of the computer;
- (ii) An aggregate total of \$500 for all claims paid under a single license key, and
- (iii) The actual cost of a Comodo specified and authorized third party provider to repair the computer to an operating condition ("Guarantee Limit").

The guarantee is limited to the repair and restoration of the computer to a state prior to when the malware infected the computer. The guarantee does not cover claims for lost or expected profits, lost or corrupted data, lost or deleted work, or lost or damaged personal files. Comodo does not guarantee against the loss of any file or information. The guarantee is void if you breached this agreement, failed to follow the procedures described in this Section 3, or failed to pay any fees applicable to your use of the Software.

3.3. Claims. If a computer qualifying under Section 3.1 becomes infected with malware you must take the following steps: 1) backup all data on the computer, 2) promptly contact Comodo over the Internet by email at: cisguarantee@comodo.com, and 3) allow a Comodo support representative to remotely connect to the infected computer and remove the malware. Comodo only provides remediation services over the Internet and you must be able to access the Internet to use the limited guarantee. Damage to a computer by anything other than malware is not covered by the limited guarantee. If a Comodo support representative cannot connect to the computer because of the malware, the limited guarantee does not apply. To qualify for a payment under the limited guarantee, you must allow Comodo access to each infected computer and must assist Comodo in any manner necessary to remove the malware and repair the computer. Failure to cooperate with a Comodo representative voids the guarantee. The instructions and steps necessary to fix the computer and provide the support are in the Comodo representative's sole discretion.

3.4. Diagnostic Software. The support representative may download, run, or use software on your computer to remove the malware and restore the computer to its pre-infection operating condition. This software includes software that can control your computer remotely along with Diagnostic Software. You shall accept any license agreement required to use the Diagnostic Software. Use of the Diagnostic Software by the support representative does not require any additional payment by you.

3.5. Recording of Services. Comodo may monitor and record any remediation services provided. Comodo may release recorded information for any of 1) satisfying a law, regulation or

government request, 2) operating the remediation services properly, or 3) protecting Comodo's business reputation, software, or customers.

- 3.6. Payment. If Comodo is able to connect to your computer but is unable to restore a qualifying computer's functionality and remove the malware, Comodo shall, subject to the Guarantee Limits and at sole discretion, pay for Comodo's choice of 1) the cost of having a third party provider repair the computer or 2) for a replacement computer. If Comodo chooses to repair the computer, Comodo will provide instructions on where the computer may be delivered for repair. If the repair facility is greater than 20 miles from your physical location, Comodo shall pay the cost of mail delivery of the computer but you shall pay any applicable shipping insurance costs. You bear all risk of loss during shipping to or from the repair facility. If the repair facility is unable to restore the computer's operating functionality before the end of the fifth business day after the repair facility's receipt of the computer, Comodo shall pay you, subject to the Guarantee Limits, the fair market value of each qualifying irreparable computer.

Free and paid for Products are listed on www.comodo.com. Comodo may modify fees for paid products in its sole discretion. Your failure to terminate this agreement after a fee change is posted to Comodo's website constitutes your acceptance of amended prices, which will apply upon your renewal of the Products.
- 5.2. Method of Payment. All fees must be paid in advance. Comodo may automatically charge the credit card provided for renewing subscriptions to the Products. However, you remain solely responsible for any renewal payment. If renewal payments are not made before a subscription expires, Comodo may, without notice, restrict or remove your access to the Products.
- 5.3. Rejected Charges. If any charges are rejected by your credit card issuer then Comodo may deactivate your account until payment is successfully received. Comodo may deactivate any account that has a disputed charge until Comodo, in its sole discretion, determines the dispute resolved.

You shall provide Comodo notice of any billing problems or disputes within 60 days after the charge first appears on a statement you receive from your bank, credit card company, or other billing company. The United States restricted country and persons list is subject to change without notice from Comodo, and you must comply with the list as it exists in fact. **COMODO SHALL NOT BE LIABLE FOR YOUR VIOLATION OF ANY SUCH EXPORT OR IMPORT LAWS, WHETHER UNDER UNITED STATES LAW OR FOREIGN LAW.**

- 8.2. Indemnification Procedure. Comodo shall notify you promptly of any demand for indemnification. However, Comodo's failure to notify will not relieve you from your indemnification obligations except to the extent that the failure to provide timely notice materially prejudices you. You may assume the defense of any action, suit, or proceeding giving rise to an indemnification obligation unless assuming the defense would result in potential conflicting interests as determined by the Indemnified Person in good faith. You may not settle any claim, action, suit or proceeding related to this agreement unless the settlement also includes an unconditional release of all Indemnified Persons from liability.
- 8.3. Additional Liability. Your indemnification obligations are not Comodo's sole remedy for a breach and are in addition to any other remedies Comodo may have against you under this agreement. Your indemnification obligations survive the termination of this agreement.

YOU WAIVE ALL LIABILITY FOR SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES. THIS WAIVER INCLUDES ALL DAMAGES FOR LOST PROFITS, REVENUE, USE, OR DATA AND APPLIES EVEN IF COMODO IS AWARE OF THE POSSIBILITY OF SUCH DAMAGES. 11. Miscellaneous

- 11.1. Notices. All questions, notices, demands, or requests to Comodo with respect to this Agreement shall be made in English writing to: Comodo Security Solutions, Inc., 1255 Broad Street, Suite 100, Clifton, New Jersey 07013. All notices to you shall be made by posting the notice on the Comodo website.
- 11.2. Entire Agreement. This agreement, along with the attached schedules and any documents referred to herein, is the entire agreement between the parties with respect to the subject matter, superseding all other agreements that may exist with respect to the subject matter. Section headings are for reference and convenience only and are not part of the interpretation of the agreement.
- 11.3. Modifications. Comodo may amend or discontinue certain Products offered under this agreement in its sole discretion, including modifying renewal license fees, availability, equipment and software requirements, and limiting or restricting use of Products. Comodo may amend this agreement to the extent allowed by law. Comodo will give you notice of these amendments by posting the modified agreement to its website. You must periodically visit Comodo's website to be aware of any changes. Continued use of a Product after an amendment constitutes your acceptance of the change.
- 11.4. Waiver. A party's failure to enforce a provision of this agreement does not waive the party's right to enforce the same provision later or right to enforce any other provision of this agreement. To be effective, all waivers must be both in writing and signed by the party benefiting from the waived provision.
- 11.5. Force Majeure and Internet Frailties. Other than for payment obligations by you, neither party will be liable for a delay or failure to perform an obligation to the extent that the delay or failure is caused by an occurrence beyond the party's reasonable control. Each party acknowledges that the operation of the Internet is beyond the other party's reasonable control, and neither party will be liable for a delay or failure caused by an interruption or failure of telecommunication or digital transmission links, Internet slow-downs or failures, or other such transmission failure.

11.6. Arbitration and Governing Law.

ARBITRATION MEANS THAT YOU WAIVE YOUR RIGHT TO A JUDGE OR JURY TRIAL IN A COURT PROCEEDING AND YOUR GROUNDS FOR APPEAL ARE LIMITED.

You agree that any dispute, claim or controversy arising out of this agreement shall be determined by binding arbitration. Before you may begin arbitration with respect to a dispute involving any aspect of this Agreement, you shall notify Comodo and any other party to the dispute for the purpose of seeking dispute resolution. The notice to Comodo should be addressed to 1255 Broad Street, Clifton, New Jersey 07013.

If the dispute is not resolved within sixty (60) days after the initial notice, then a party may proceed in accordance with the following: Any unresolved dispute arising under the terms of this Agreement shall be decided by arbitration conducted through the services of the Commercial Arbitration Rules of the American Arbitration Association (hereinafter referred to as the "AAA"). Notice of demand for an arbitration hearing shall be in writing and properly served upon the parties to this Agreement. Arbitration hearings shall be held in the state of New Jersey at a location mutually agreeable to the parties.

The laws of the state of New Jersey govern the interpretation, construction and enforcement of this agreement and all proceedings arising out of it without regard to any conflicts of laws principles. Both parties agree to the exclusive venue and jurisdiction of state or U.S. federal courts located in New Jersey.

The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act shall not apply to this agreement and are specifically excluded.

- 11.7. Class Action Waiver: Any proceedings to resolve or litigate any dispute in any forum will be conducted solely on an individual basis. Neither you nor Comodo will seek to have any dispute heard as a class action, private attorney general action, or in any other proceeding in which either party acts or proposes to act in a representative capacity. No arbitration or proceeding will be combined with another without the prior written consent of all parties to all affected arbitration or proceedings.
- 11.8. Assignment. You may not assign any of your rights or obligations under this agreement, whether by merger, consolidation, operation of law, or any other manner, without the prior written consent of Comodo. For purposes of this section only, a change in control is deemed an assignment. Any transfer without consent is void. To the extent allowed by law, Comodo may assign its rights and obligations without your consent.
- 11.9. Severability. Any provision held invalid, unconscionable, or unenforceable in any manner will be reformed to the minimum extent necessary to make the provision valid and enforceable. If reformation is not possible, the provision is deemed omitted and the balance of the agreement remains valid and enforceable.
- 11.10. Survival. All provisions relating to confidentiality, proprietary rights, indemnification, and limitations of liability survive the termination of the agreement.
- 11.11. Rights of Third Parties. There are no third party beneficiaries under the agreement.

Comodo Dragon Browser End User License Agreement

THIS AGREEMENT CONTAINS A BINDING ARBITRATION CLAUSE AND CLASS ACTION WAIVER. IT IS IMPORTANT TO READ THESE TERMS CAREFULLY BEFORE USING THE COMODO DRAGON BROWSER.

BY USING, APPLYING FOR, OR ACCEPTING THE ACCOUNT, SOFTWARE OR SERVICES OR BY CLICKING ON "I AGREE" BELOW, YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, THAT YOU UNDERSTAND IT, AND THAT YOU AGREE TO BE BOUND BY ITS TERMS. IF YOU DO NOT AGREE TO THESE TERMS, DO NOT CLICK "I AGREE" AND DO NOT APPLY FOR, ACCEPT, OR USE COMODO DRAGON BROWSER.

This end user license agreement is a legal contract between you, as either an individual or a business entity, and Comodo Security Solutions, Inc. ("Comodo"), a Delaware corporation. In exchange for use of the Comodo Dragon Browser, you agree as follows:

1. License

- 1.1. Grant of License. Comodo grants you a limited, non-exclusive, non-transferable, and revocable license to download, install, back-up, and use the Software and Services (collectively, the "Products"), including any documentation and files accompanying the Products. You shall not resell, lease, sell, modify, reverse engineer, decompile, or create derivative works of the Software. All rights not expressly granted herein are reserved to Comodo.
- 1.2. Restrictions. The licenses granted herein are only valid if:
 - (i) the Products are NOT modified in any manner;
 - (ii) the Products are only installed and used in accordance with your network security policies,
 - (iii) you possess the necessary authority and power to install and use the Products,
 - (iv) you promptly pay all license fees, (if any), when they are due, and
 - (v) this agreement is accepted without modification and has not been breached.
- 1.3. Registration. When registering Products, you must provide accurate information and must update the registration information if it changes. Comodo may limit your ability to use the Products if you fail to complete a required registration process. You may also be required to select a username and password. Maintaining the confidentiality of this password and username is your responsibility. You must notify Comodo immediately of any unauthorized use of your account.
- 1.4. Limited License. If this is a paid Product, the licenses granted herein are only for the number of computers for which you paid for the Products. You can secure additional computers by obtaining a separate license for each computer, which might require an additional fee. You must have a license for each computer that accesses or use the Products prior to installing or using the Products.
- 1.5. Updates. Comodo is not obligated to provide updates to the Products. If an update is provided and the update is not accompanied by an additional agreement, this agreement

applies to your use and installation of the update. Some Products update automatically without notice.

- 1.6. Trial, Evaluation, and Beta. If this agreement pertains to a trial, beta, or evaluation version, the licenses granted herein terminate at the end of the trial or evaluation period or when Comodo disables access to the Products. All trial, evaluation, and beta licenses are limited to one per customer. Generally, credit card or account information is required to access a free trial. However, Comodo shall not charge your credit card until the trial period has ended. At the end of the trial period, Comodo may bill the credit card for the Products without further notice. Participants in a free trial are not entitled to a refund. Your termination of this agreement prior to the end of the free trial is required to avoid fees for the Products. Annual subscriptions expire one year from the end of the trial period. Comodo may deny or revoke a free trial for any reason.

2. Ownership

- 2.1. No Ownership Rights. The Products are being licensed, not sold. Comodo retains all ownership rights in and to all Products, including any intellectual property rights therein.
- 2.2. Copyright. The Products contains material that is protected by United States and foreign intellectual property laws, including copyright, trade secret, and patent law. All rights not granted to you herein are expressly reserved by Comodo. You may not remove any copyright or other proprietary notice of Comodo from the Products.

The Comodo Dragon Browser, developed by Comodo Security Solutions, Inc. is based on the Chromium software code developed by Google. The Comodo Dragon Browser is licensed under the Comodo Dragon Browser End User License Agreement (Agreement). Other software included in this distribution is provided under other licenses, as listed in the Included Software and Licenses section at the bottom of this agreement.

- 2.3. Content. Content, including files, links, images, and text, made available or accessible through the Products is the sole responsibility of the person or entity from whom it originated and is the property of the applicable owner. This agreement does not give any rights to such content. Comodo does not endorse any such content. You accept all responsibility for security risks and any damage resulting from any content viewed or accessed through the Products, and Comodo is not responsible for any damage or loss caused by your use or reliance on any of the content, goods or services, or information available through third party sources regardless of how presented.
- 2.4. Submissions. Any communications sent to Comodo are the property of Comodo or its affiliates. Unless stated otherwise herein, submissions are not considered confidential, and Comodo is not liable for any use or disclosure of a submission. Except as noted herein, Comodo is entitled to unrestricted use of any submissions for any purpose whatsoever without compensation to the provider of the submission.

3. Restrictions

- 3.1. Lawful Use. The Products are solely for lawful purposes and use. You are responsible for ensuring that your use of the Products is in accordance with this agreement and any applicable laws, statutes, ordinances, regulations, rules and other government authority.
- 3.2. Compliance. You shall (1) not interfere or disrupt networks connected to Comodo's services; (2) comply with all regulations, policies and procedures of networks connected to the services; (3) not use the Products to infringe the privacy or intellectual property rights of a third party; (4) not use the Products to distribute or transmit any file that contains malware, (5) not attempt to gain unauthorized access to other computer systems; and (6) not use the

Products to transmit any unlawful, harassing, libelous, defamatory, racist, indecent, abusive, violent, threatening, intimidating, harmful, vulgar, obscene, offensive or otherwise objectionable material of any kind or nature.

- 3.3. Export. You represent that you are not located in and will not modify, export or re-export, either directly or indirectly, the Products to any country or entity under United States restrictions or to any country or entity subject to applicable trade sanctions. The United States restricted country and persons list is subject to change without notice from Comodo, and you must comply with the list as it exists in fact. COMODO SHALL NOT BE LIABLE FOR YOUR VIOLATION OF ANY SUCH EXPORT OR IMPORT LAWS, WHETHER UNDER UNITED STATES LAW OR FOREIGN LAW.

4. Termination.

- 4.1. Term. This agreement is effective until terminated by you or by Comodo. You may only use paid Products during the period for which you have paid the subscription fee. The subscription may be renewed by paying an additional license fee as set forth on the Comodo website.
- 4.2. Termination by You. For free software, you may terminate this agreement at any time by removing all copies of the software in your possession or under your control. All paid Products may be terminated by removing all copies of any related software and notifying Comodo of your intent to terminate this agreement. Notification of termination must be sent by email to support@comodo.com. Your termination will be effective upon Comodo's receipt and processing of the email. Processing may take up to 24 hours.
- 4.3. Termination by Comodo. Comodo may terminate this agreement at any time by posting notice of the termination on its website or sending an email to the address provided during your registration for the Products. Comodo may monitor its systems for excessive consumption of network resources and may take technical or other remedies deemed necessary to prevent or eliminate any excessive consumption. If Comodo deems your use to be excessive, Comodo may, with email notice, terminate your account or adjust the price of the Products.
- 4.4. Refunds. If this is a paid Product, after purchasing the Products, you may cancel your subscription at any time. Unless you have participated in a promotion under section 1.6, you may be entitled to a refund. If you cancel your subscription within the first 30 days after making payment and are eligible for a refund, Comodo shall refund to you the full amount paid by you. To request a refund, you must email refunds@comodo.com within 30 days of the purchase date.
- 4.5. Events Upon Termination. Upon termination, you must immediately cease using the Products and delete all copies of any related software found on your computer and any backup copies made. Upon termination, Comodo may disable further use of the Products without further notice and may delete, remove, and erase any account information, any backup data stored by Comodo, and any other information stored or collected by Comodo. Such deletions are in Comodo's sole discretion and may occur without notice to you. No refunds shall be given for any reason.

5. Indemnification.

- 5.1. Indemnification. You shall indemnify (i) Comodo, (ii) Comodo's affiliates, and (iii) Comodo's and its affiliate's directors, officers, employees, and agents (each an "Indemnified Person") against all liabilities, losses, expenses, or costs (including reasonable attorney's fees) (collectively "Losses") that, directly or indirectly, are based on your breach of this agreement, information provided by you, or your infringement on the rights of a third party.

- 5.2. Indemnification Procedure. Comodo shall notify you promptly of any demand for indemnification. However, Comodo's failure to notify will not relieve you from your indemnification obligations except to the extent that the failure to provide timely notice materially prejudices you. You may assume the defense of any action, suit, or proceeding giving rise to an indemnification obligation unless assuming the defense would result in potential conflicting interests as determined by the Indemnified Person in good faith. You may not settle any claim, action, suit or proceeding related to this agreement unless the settlement also includes an unconditional release of all Indemnified Persons from liability.
- 5.3. Additional Liability. Your indemnification obligations are not Comodo's sole remedy for a breach and are in addition to any other remedies Comodo may have against you under this agreement. Your indemnification obligations survive the termination of this agreement.

6. Disclaimers and Limitation of Liability.

- 6.1. Internet. You acknowledge that the Products are subject to the operation and telecommunications infrastructures of the Internet and the operation of your Internet connection services, all of which are beyond Comodo's control.
- 6.2. Guarantee Disclaimer; Assumption of Risk. EXCEPT AS SPECIFICALLY STATED OTHERWISE IN THIS AGREEMENT, COMODO EXPRESSLY DISCLAIMS ALL IMPLIED AND EXPRESS WARRANTIES IN THE PRODUCTS. THIS DISCLAIMER INCLUDES ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT AND IS EFFECTIVE TO THE MAXIMUM EXTENT ALLOWED BY LAW. COMODO DOES NOT GUARANTEE THAT 1) THE PRODUCTS WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS OR 2) THAT ACCESS TO THE PRODUCTS WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE.
- 6.3. Damage Limitation. THE TOTAL LIABILITY OF COMODO AND ITS AFFILIATES, AND EACH OF THEIR OFFICERS, DIRECTORS, PARTNERS, EMPLOYEES, AND CONTRACTORS, RESULTING FROM OR CONNECTED TO THIS AGREEMENT IS LIMITED TO THE AMOUNT PAID BY YOU FOR THE PRODUCTS OR ONE HUNDRED DOLLARS (\$100 USD) FOR FREE PRODUCTS. Each party acknowledges that the operation of the Internet is beyond the other party's reasonable control, and neither party will be liable for a delay or failure caused by an interruption or failure of telecommunication or digital transmission links, Internet slow-downs or failures, or other such transmission failure.
- 13.7. Governing Law and Venue. The laws of New Jersey govern the interpretation, construction, and enforcement of this Agreement and all proceedings arising out of it, including tort claims, without regard to any conflicts of law principles. All proceedings or legal action arising from this Agreement must be commenced in the state or federal courts of New Jersey. Both parties agree to the exclusive venue and jurisdiction of these courts.

The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act shall not apply to this agreement and are specifically excluded.
- 13.8. Assignment. You may not assign any of your rights or obligations under this Agreement. Any transfer without consent is void. Comodo may assign its rights and obligations without your consent.
- 13.9. Severability. Any provision determined invalid or unenforceable by rule of law will be reformed to the minimum extent necessary to make the provision valid and enforceable.

If reformation is not possible, the provision is deemed omitted and the balance of this Agreement remains valid and enforceable.

13.10. Survival. All provisions of this Agreement relating to confidentiality, proprietary rights, indemnification, and limitations of liability survive the termination of this Agreement.

13.11. Rights of Third Parties. There are no third party beneficiaries under this Agreement.

You shall not resell, lease, sell, modify, reverse engineer, decompile, or create derivative works of the Product. All rights not expressly granted herein are reserved to Comodo. If this is a paid Product, this License grant shall expire at the end of the paid subscription period or at the end of the trial period.

Maintaining the confidentiality of this password and username is your responsibility. You must notify Comodo immediately of any unauthorized use of your account.
- 1.4. Limited License. If this is for a paid product, the licenses granted herein are only for the number of computers or devices for which you paid for the Product. You can secure additional computers by obtaining a separate license for each computer or device, which might require an additional fee. You must have a license for each computer or device that accesses or uses the Product prior to installing or using the Product.
- 1.5. Updates. Comodo is not obligated to provide updates to the Product. If an update is provided and the update is not accompanied by an additional agreement, this agreement applies to your use and installation of the update. The Product may update automatically without notice.

If this agreement pertains to a trial, free, beta, or evaluation version, the licenses granted herein terminate at the end of the trial or evaluation period or when Comodo disables access to the Product. For a trial version of the Product if no term is agreed or specifically set forth in the documentation that you receive with this Product, then the term for the licenses granted herein shall be for the term that you purchased. All trial, evaluation, and beta licenses are limited to one per customer. Generally, credit card or account information is required to access a free trial. However, Comodo shall not charge your account or credit card until the trial period has ended. At the end of the trial period, Comodo may bill the account or credit card for the Product without further notice. Participants in a free trial are not entitled to a 30 day refund period. Comodo may deny or revoke a free trial for any reason.

2. Ownership

- 2.1. No Ownership Rights. The Product is being licensed, not sold. Comodo retains all ownership rights in and to the Product, including any intellectual property rights therein.
- 2.2. Copyright. The Product contains material that is protected by United States and foreign intellectual property laws, including copyright, trade secret, and patent law. - 2.3. Content. Content, including files, links, images, and text, made available or accessible through the Product is the sole responsibility of the person or entity from whom it originated and is the property of the applicable owner. This agreement does not give any rights to such content. Comodo does not endorse any such content. You accept all responsibility for security risks and any damage resulting from any content viewed or accessed through the Product, and Comodo is not responsible for any damage or loss caused by your use or reliance on any of the content, goods or services, or information available through third party sources regardless of how presented.
- 2.4. Submissions. Any communications sent to Comodo are the property of Comodo or its affiliates. Unless stated otherwise herein, submissions are not considered confidential, and Comodo is not liable for any use or disclosure of a submission. Except as noted herein,

Comodo is entitled to unrestricted use of any submissions for any purpose whatsoever without compensation to the provider of the submission.

3. Payment

- 3.1. Fees. If there is a free version of the Product, it may be used without payment to Comodo. For a paid Product, you must pay the fee listed on Comodo's website prior to using or accessing the Product or any purchase order for the Product. Free and paid for Product are listed on www.comodo.com. Comodo may modify fees for paid Product in its sole discretion. Your failure to terminate this agreement after a fee change is posted to Comodo's website constitutes your acceptance of amended prices, which will apply upon your renewal of the Product.
- 3.2. Method of Payment. All fees must be paid in advance. Comodo may automatically charge the account or credit card provided for renewing subscriptions to the Product. However, you remain solely responsible for any renewal payment. If renewal payments are not made before a subscription expires, Comodo may, without notice, restrict or remove your access to the Product.

6. Indemnification.

- 6.1 Indemnification. You shall indemnify Comodo and its affiliates and their respective directors, officers, employees, attorneys and agents (each an "Indemnified Person") against all liabilities, losses, expenses, or costs (including reasonable attorney's fees) (collectively "Losses") that results from your use of the Product, or your infringement on the intellectual property rights of a third party, or any alleged violation of privacy and/or data security of a third party or individual.
- 6.2 Comodo hereby agrees to indemnify, defend and hold harmless You (an "Indemnified Person"), from and against, any and all Losses incurred by You in connection with any claim, action, suit or proceeding by a third party (each, a "Claim") to the extent such Claim arises out of or results from Comodo's direct infringement or misappropriation of a trade secret of a third party or any U.S. patent, registered copyright, or registered trademark related to the use of the Product. Comodo's indemnification obligations shall not apply to the extent any such infringement or misappropriation is the result of: (a) Your independent modification of the Product, or any other product, software or service provided under this agreement where without such modification the Product or other product would not infringe, (b) Your combination of the Product or any other product, software or service provided under this agreement with any other product, or use with any other product, (c) Comodo's adherence to Your express written instructions where such instructions and any modifications, changes or combinations made as a result of said instructions are solely responsible for the claim of infringement, (d) any Claim based on open source software or other third party code included with the Product, (e) any unauthorized use of the Software, or (f) use of the Software other than in accordance with the Documentation (any applicable administration guide for the current version of the Software).

- 6.2.1. Remedy and Liability: In the event that a court of final determination and of competent jurisdiction holds that the Product constitutes a direct infringement or use of the Product is enjoined, Comodo shall, at its sole discretion, do one or more of the following: (i) procure for you the right to continue use of the Product, (ii) provide a modification to the Product so that its use becomes non-infringing, (iii) replace the Product with software that is substantially similar in functionality and performance or (iv), if none of the foregoing alternatives is reasonably available to Comodo, Comodo shall refund the residual value of the purchase price paid by you for the infringing Product, depreciated using a straight-line method of depreciation over a three (3) year period from the date of delivery of the Software to you. Comodo may also request You to remove all copies of any Product held to be infringing or giving rise to a Claim. THE AGGREGATE LIABILITY OF COMODO AND ITS AFFILIATES, AND THEIR OFFICERS, DIRECTORS, PARTNERS, EMPLOYEES, AND CONTRACTORS, RESULTING FROM OR CONNECTED TO THIS AGREEMENT SHALL BE LIMITED IN THE AGGREGATE TO THE AMOUNT PAID OR PAYABLE BY YOU UNDER THIS AGREEMENT DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENTS GIVING RISE TO A CLAIM. This Section states Comodo's sole liability and your exclusive remedy for intellectual property infringement claims.
- 6.3 Indemnification Procedure. Each Indemnified Person must notify the other party promptly (within 14 days) of a demand for indemnification. However, an Indemnified Person's failure to notify will not relieve the other party from its indemnification obligations except to the extent that the failure to notify materially prejudices a party. The Indemnitor may assume the defense of any action, suit, or proceeding giving rise to an indemnification obligation unless assuming the defense would result in potential conflicting interests as determined by the Indemnified Person in good faith. Indemnitor may not settle any claim, action, suit or proceeding related to this Agreement unless the settlement also includes an unconditional release of all Indemnified Persons from liability.
- 6.4 Additional Liability. Your indemnification obligations are not Comodo's sole remedy for a breach and are in addition to any other remedies Comodo may have against you under this agreement. Your indemnification obligations survive the termination of this agreement.

7. Disclaimers and Limitation of Liability.

- 7.1. Internet. You acknowledge that the Product is subject to the operation and telecommunications infrastructures of the Internet and the operation of your Internet connection services, all of which are beyond Comodo's control.
- 7.2. Beta Versions – No Warranty – “AS IS” Product
- If this is a beta or test version, licensee acknowledges that software is prerelease code and is not at the level of performance or compatibility of a final, generally available product offering. The Product may not operate correctly and may be substantially modified prior to first commercial shipment or withdrawn. The Product is provided “AS IS” without any warranty of any kind.
- The entire risk arising out of the use or performance of the Product remains with Licensee. Licensee acknowledges that operating beta software on a production system may have unintended consequences and has been so advised by Comodo.
- 7.3. Guarantee Disclaimer; Assumption of Risk. THIS PRODUCT IS PROVIDED “AS IS.” EXCEPT AS SPECIFICALLY STATED OTHERWISE IN THIS AGREEMENT, COMODO EXPRESSLY DISCLAIMS ALL IMPLIED AND EXPRESS WARRANTIES IN THE PRODUCT. THIS DISCLAIMER INCLUDES ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT AND IS EFFECTIVE TO THE MAXIMUM EXTENT ALLOWED BY LAW. COMODO DOES NOT GUARANTEE THAT 1) THE PRODUCT WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS OR 2) THAT

ACCESS TO THE PRODUCT WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE.

COMODO HAS NO LIABILITY OR RESPONSIBILITY FOR ANY PRE-EXISTING CONDITION ON YOUR COMPUTERS, DEVICES OR SYSTEMS, INCLUDING FAILURE TO CURE, DETECT OR REMEDY THE CONDITION AFTER INSTALLATION AND USE OF THE PRODUCT.

- 7.4. Damage Limitation. YOU WAIVE ALL LIABILITY OF COMODO AND ITS AFFILIATES, AND EACH OF THEIR OFFICERS, DIRECTORS, PARTNERS, EMPLOYEES, AND CONTRACTORS, RESULTING FROM OR CONNECTED TO THIS AGREEMENT, INCLUDING ALL DAMAGES FOR LOST PROFITS, REVENUE, USE, OR DATA. THIS WAIVER APPLIES EVEN IF COMODO IS AWARE OF THE POSSIBILITY OF SUCH DAMAGES. These limitations apply to the maximum extent permitted by law regardless of 1) the reason for or nature of the liability, including tort claims, 2) the number of claims, 3) the extent or nature of the damages, and 4) whether any other provisions of this agreement have been breached or proven ineffective.
- 7.5. Data Transfer. ALL MATERIAL AND/OR DATA DOWNLOADED OR OBTAINED THROUGH THE PRODUCT IS AT YOUR OWN RISK. YOU ARE SOLELY RESPONSIBLE FOR THE USE OR YOUR POSSESSION OF SUCH DATA OR MATERIAL. COMODO DOES NOT ACTIVELY MONITOR ANY INFORMATION OR MATERIAL TRANSFERRED THROUGH ITS PRODUCT AND CANNOT WARRANT THE CONTENT OF SUCH MATERIAL OR DATA.
- 7.6. Exceptions. If any legal right disallows an exclusion of warranties or disallows limiting certain damages, then the disclaimers of guarantee and limitations on liability herein apply to the maximum extent allowed by law.
- 7.7. Limitations on Remedy. Except for actions and claims related to a party's indemnification obligations, all actions or claims relating to this agreement must be brought within one (1) year from the date when the cause of action occurred.

8. Privacy.

- 8.1. Privacy Policy. Comodo shall follow the privacy policy posted on its website at <https://www.comodo.com/repository/privacy-policy.php> and <https://www.comodo.com/repository/css-information-collection.php> when collecting and using information from you. Comodo may amend the privacy policy at any time by posting the amended privacy policy on its website.
- 8.2. Permissions: User information which may be reached or accessed by the Product is detailed below in Exhibit A.
- 8.3. Disclosure. Comodo will disclose information where required by a subpoena, interception order or other lawful process. Comodo may also disclose information when it believes that such disclosure is necessary to protect the rights or safety of others or to enforce, or protect Comodo's rights under this Agreement.
- 8.4. Opt Out. You may opt-out of having information used for purposes not directly related to the Product by emailing a clear notice to optout@comodo.com. By clicking "I ACCEPT", you affirmatively consent to receiving Comodo's and its affiliates' promotional material.

9. Miscellaneous

- 9.1. Notices. All questions, notices, demands, or requests to Comodo with respect to this Agreement shall be made in English writing to: Comodo Security Solutions, Inc., 1255 Broad

Street, Clifton, New Jersey 07013. All notices to you shall be made by posting the notice on the Comodo website.

- 9.2. Entire Agreement. This agreement, along with the attached schedules and any documents referred to herein, is the entire agreement between the parties with respect to the subject matter, superseding all other agreements that may exist with respect to the subject matter. Section headings are for reference and convenience only and are not part of the interpretation of the agreement.
- 9.3. Modifications. Comodo may amend or discontinue the Product offered under this agreement in its sole discretion, including modifying renewal license fees, availability, equipment and software requirements, and limiting or restricting use of Product. Comodo may amend this agreement to the extent allowed by law. Comodo will give you notice of these amendments by posting the modified agreement to its website. You must periodically visit Comodo's website to be aware of any changes. Continued use of a Product after an amendment constitutes your acceptance of the change.
- 9.4. Waiver. A party's failure to enforce a provision of this agreement does not waive the party's right to enforce the same provision later or right to enforce any other provision of this agreement. To be effective, all waivers must be both in writing and signed by the party benefiting from the waived provision.
- 9.5. Force Majeure and Internet Frailties. Other than for payment obligations by you, neither party will be liable for a delay or failure to perform an obligation to the extent that the delay or failure is caused by an occurrence beyond the party's reasonable control. Each party acknowledges that the operation of the Internet is beyond the other party's reasonable control, and neither party will be liable for a delay or failure caused by an interruption or failure of telecommunication or digital transmission links, Internet slow-downs or failures, or other such transmission failure.
- 9.6. Arbitration.

ARBITRATION MEANS THAT YOU WAIVE YOUR RIGHT TO A JUDGE OR JURY TRIAL IN A COURT PROCEEDING AND YOUR GROUNDS FOR APPEAL ARE LIMITED.

You agree that any dispute, claim or controversy arising out of this agreement shall be determined by binding arbitration, except as indicated at the end of this section below. Before you may begin arbitration with respect to a dispute involving any aspect of this Agreement, you shall notify Comodo and any other party to the dispute for the purpose of seeking dispute resolution. The notice to Comodo should be addressed to 1255 Broad Street, Clifton, New Jersey 07013.

If the dispute is not resolved within sixty (60) days after the initial notice, then a party may proceed in accordance with the following: Any unresolved dispute arising under the terms of this Agreement shall be decided by arbitration conducted through the services of the Commercial Arbitration Rules of the American Arbitration Association (hereinafter referred to as the "AAA"). Notice of demand for an arbitration hearing shall be in writing and properly served upon the parties to this Agreement. Arbitration hearings shall be held in the state of New Jersey at a location mutually agreeable to the parties.

You and Comodo agree that "dispute, claim or controversy" as defined in this agreement shall not include any claim or cause of action by You or Comodo for trade secret misappropriation, patent infringement, copyright infringement or misuse, or trademark infringement or dilution. You agree that a Court, not an Arbitrator, may decide if a claim falls within one of these exceptions.

9.7 WAIVER OF CLASS ACTIONS AND CLASS ARBITRATIONS.

YOU AND COMODO AGREE THAT ANY PROCEEDINGS TO RESOLVE OR LITIGATE ANY DISPUTE IN ANY FORUM WILL BE CONDUCTED SOLELY ON AN INDIVIDUAL BASIS. NEITHER YOU NOR COMODO WILL SEEK TO HAVE ANY DISPUTE HEARD AS A FEDERAL OR STATE CLASS ACTION, PRIVATE ATTORNEY GENERAL ACTION, OR IN ANY OTHER PROCEEDING IN WHICH EITHER PARTY ACTS OR PROPOSES TO ACT IN A REPRESENTATIVE CAPACITY. NO ARBITRATION OR PROCEEDING WILL BE COMBINED WITH ANOTHER WITHOUT THE PRIOR WRITTEN CONSENT OF ALL PARTIES TO ALL AFFECTED ARBITRATION OR PROCEEDINGS.

9.8 Governing Law

The laws of the State of New Jersey govern the interpretation, construction, and enforcement of this Agreement and all proceedings arising out of it, including tort claims, without regard to any conflicts of law principles.

The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act shall not apply to this Agreement and are specifically excluded.

- 9.9. Assignment. You may not assign any of your rights or obligations under this agreement, whether by merger, consolidation, operation of law, or any other manner, without the prior written consent of Comodo. For purposes of this section only, a change in control is deemed an assignment. Any transfer without consent is void. To the extent allowed by law, Comodo may assign its rights and obligations without your consent.
- 9.10. Severability. Any provision held invalid or unenforceable will be reformed to the minimum extent necessary to make the provision valid and enforceable. If reformation is not possible, the provision is deemed omitted and the balance of the agreement remains valid and enforceable.
- 9.11. Survival. All provisions relating to confidentiality, proprietary rights, indemnification, and limitations of liability survive the termination of the agreement.
- 9.12. Rights of Third Parties. There are no third party beneficiaries under the agreement.

PERMISSIONS AND FEATURES

Root certificate check

This is used to detect a possible malicious SSL connection and SSL sniffing. The root certificates of all SSL connections in protected application(s) are verified using a trusted root certificate list.

If a suspicious root certificate is detected, Secure Shopping provides users a warning that the root certificate is not in the trusted list and can continue with choices of:

1. Protect me and block the website access
2. Ignore the warning and continue browsing.

Process Isolation (Anti-Injection)

The processes run in Comodo Secure Shopping environment are isolated from other processes run outside of Comodo Secure Shopping, even in the same operating system. This means that outside process should not be able to open protected application or write/read memory of it, to inject potentially harmful code into the application, or to open threads of protected applications

Secure Shopper Service protection

Comodo Secure Shopping service should be protected, which protects against potential code injection or attaching any unwanted functions into the service.

Keyboard Protection

Offers protection from key loggers, including an on screen virtual keyboard implemented as a defense against hardware key logger.

Copy/Paste Protection

This protection prevents data in Secure Shopping from being copied to other normal applications. Copying data from normal applications to Secure Shopping is still possible.

Desktop Isolation

Secure Shopping is able to run in a separate desktop to isolate its windows from other processes, so that it cannot be found by EnumWindows, or be controlled by SendMessage, or be injected by global hooks. Desktop switching between protected environment and Windows desktop is still maintained for the user.

Remote Check

Remote control software can be detected and blocked when a protected application is running. The following remote control tools are supported:

1. Windows RDP based - the session id is used to detect.
2. If using Sendinput/kbd_event/mouse_event, Secure Shopping intercepts these calls to detect. Once detected, a warning page should be displayed. The user can skip this warning

page and use protected application if they choose. If the calls are detected again, Secure Shopper switches automatically to a warning page.

Secure Shopping also blocks remote control by switching to another desktop with warning information.

3. Teamviewer

4. WebEx

Private Mode Support for Browser

If the browser supports private mode, the browser will run in private mode when opened in the Secure Shopping environment. In private mode, the browsers will not keep the history data which can protect client privacy.

IE Single Process Mode Support

Internet Explorer should run at single process mode in Secure Shopping. With running at single process mode, IE 10 and above versions will open in separate desktops (Secure Shopping desktop and Windows desktop).

Screen Capture Protection

Comodo Secure Shopping screens (both secure desktop and secure browser) can be protected from being captured by screen capture software and Windows default screen print (key stroke for 'PrtScn' on keyboard)
